Among the goals of the Water Leaders Academy is to provide networking opportunities for graduates. This directory is designed to help you to stay in touch with your own class as well as reach out to other graduates who could be a resource for questions or issues.

The directory will be updated twice a year in June and January. If you have changes, please contact Carol Jess at 402.310.9997 or by email at carol@cjcommunications.com.

Your comments or suggestions for improvement are always welcome.
